PROFESSIONAL SUMMARY

High-impact Documentation, Training, and Corporate Communications Specialist with 10+ years of experience translating complex software systems, legal frameworks, and operational workflows into clear, user-focused content. Proven track record building internal knowledge bases, SOPs, and multi-channel marketing campaigns across corporate tech, higher education, and enterprise operations. Skilled at cross-functional collaboration with subject matter experts, executive stakeholders, and remote global teams to ensure accurate knowledge transfer and consistent brand alignment.

CORE COMPETENCIES & SKILLS

Documentation & Content Development: Knowledge Base Development, SOP Development, Process Mapping, SME Interviewing, Cross-Functional Content Standardization, Software Workflow Documentation

Communications & Training: Internal Team Training Materials, Quick-Reference Guides, Stakeholder Messaging

Content & Marketing Development: B2B/B2C Sales Collateral, On-Page SEO, Brand Standardization, Cross-Functional Campaigns

Technical Tools: SharePoint, Drupal, WordPress, Airtable, Mailchimp, Constant Contact, Google Analytics, ChatGPT, Copilot, Adobe InDesign, Canva, Microsoft Office Suite

Actively Building: DITA/XML (LearningDITA.com), Adobe FrameMaker

PROFESSIONAL EXPERIENCE

Independent Communications & Documentation Consultant

July 2025 – Present

Independent Consultant | Remote

- Authored internal documentation and SOPs for clients navigating operational or process changes.
- Built training decks and onboarding reference guides used by internal teams to standardize new workflows.
- Audited existing marketing materials across multiple channels to identify inconsistent messaging and brand drift.

Senior Associate / Documentation & Content Developer

2023 – 2025

RedCloud Consulting (Microsoft Project) | Remote

- Interviewed technical SMEs and sat in on user testing sessions to translate real-world ERP workflows into clear, structured content for global supply chain planning teams.
- Researched, wrote, and organized a searchable knowledge base of 100+ process documents, standardizing content structure and consistency across the set.
- Used Microsoft Copilot to accelerate drafting, standardization, and metadata tagging across the documentation set.
- Maintained content accuracy and consistency across a multi-year digital transformation project spanning teams in the US, Europe, and India.

Content Writer

2021 – 2022

Tyler Technologies, Courts and Justice Division | Remote

- Wrote sales collateral, factsheets, and slide decks for court case management software sold to judges, clerks, and state procurement offices.
- Coordinated with engineering, product, sales, and design teams under TyCAT workflows to hit launch and demo deadlines.
- Standardized customer-facing docs and style guides as newly acquired companies were folded into the parent brand.

ADDITIONAL EXPERIENCE

Marketing and Communications Specialist, Cambridge College | Boston, MA | 2020–2021 — Multi-channel enrollment campaigns, Drupal CMS/SEO administration, executive and alumni communications.

Marketing and Communications Consultant, Multiple Nonprofits (Boston Harbor Now, Gravyty, Ibis Reproductive Health) | Boston, MA | 2018–2019 — Cross-department campaign assets, research report copyediting, multi-stakeholder coordination.
